Headway Portsmouth & SE Hampshire, a charity dedicated to supporting people with acquired brain injuries, is seeking passionate individuals to join our board of trustees. This voluntary role offers a unique opportunity to shape the charity's vision and make a meaningful impact in your community.

As a trustee, you will help guide the charity's strategic direction while seeing firsthand the difference your contributions make to the lives of those affected by brain injury.

We are particularly interested in hearing from individuals with experience in:

- Business
- Fundraising
- Public relations & marketing
- Social media
- Finance
- Social care
- Clinical expertise in brain injury

However, if you have other skills that could complement our board, we would love to hear from you.

Many people assume they need extensive experience to become a trustee, but that's not the case. Whether you're an experienced trustee or considering the role for the first time, we welcome diverse perspectives, fresh ideas, and a commitment to making a difference.

This is a vital, creative role where you can truly help shape the charity's future. Trustees attend monthly board meetings, support events and promotional activities, and visit local services. Applicants must be 18 or over.
