- Listed as sponsor on all communications relating to 2026 Apprenticeship Bus programme.

About the Apprenticeship Bus

The concept is simple but powerful: Year 10–11 students meet real apprentices, face to face, and hear first-hand what an apprenticeship is really like.

Our aims:

1. Inspire Portsmouth students to see apprenticeships as exciting, achievable career paths.
2. Showcase apprentices from a broad range of local industries.
3. Reach as many Year 10–11 students as possible each year.
